Dear Mr Low

LETTER OF APPRECIATION

On behalf of the Peak 1 Management Council, I wish to express my gratitude to you and your staff for completing our A & A works in time. The entire condominium has now brightened up especially with the attractive lightings at night. Our 14<sup>th</sup> floor has become exceptionally spacious and breezy, thus providing an unblocked view of its surroundings.

The Council is impressed with your close supervision, innovative ideas and efficiency which contributed to the success of our upgrading project.

Yours sincerely

Gan Cheong Chor
